Veneentekijäntie 6, 00210 Helsinki

Arvor Guernsey 34 - 2008

A spacious, reliable and comfortable cruiser, powered by twin Cummins 230 HP diesel engines. Regularly maintained and exceptionally well equipped for enjoyable cruising and extended stays at sea.
Features include Simrad navigation electronics, autopilot, radar, bow thruster, Eberspächer heating, teak decking, a spacious & comfortable interior and much more.
The boat comes with a brand-new 2026 Yamaha inflatable tender and Viking liferaft, adding even more value.
Fresh antifouling applied in autumn 2026. Winter storage arrangements and costs for 2026-2027 will be covered by the seller.

Ready for the next season!
